

MANONMANIAM SUNDARANAR UNIVERSITY
Directorate of Distance and Continuing Education - B.Ed
One day National Symposium on

“Success Stories of Effective Transaction at Primary/ Upper Primary School level”
09.12.2017

Manonmaniam Sundaranar University (MSU)

The University was established by the Government of Tamil Nadu as a teaching-cum-affiliating University on 7th September, 1990 to cater to the long-felt needs of the people of the three southern most districts of Tamil Nadu viz., Tirunelveli, Tuticorin, and Kanyakumari. It is named after the renowned Tamil Poet scholar, Professor P.Sundaram Pillai (1855-1897), the author of the famous verse drama Manonmaniam. It is his poem that has become “Tamil Thaaai Vaazhthu” the official invocation song sung in all functions in Tamilnadu. The motto of the University is “Reaching the Unreached”. Around 2400 students are studying in this institution directly. The University has under its jurisdiction 66 affiliated colleges, 6 University Colleges and 4 Constituent Colleges, with 73,000 students on the rolls.

DD&CE-B.Ed.

DD&CE-B.Ed. was established in the year 2008 with a mission to train Student-teachers with an excellent professional skill and provide effective research programme in Education and foster efficient doctoral research scholars. The Department has been offering B.Ed. Programme through distance mode and full-time & part time Ph.D Programme in Education. The faculty members of the department are highly qualified researchers and the department has a good number of externally funded research projects and fellowship granted by funding agencies including UGC and ICSSR etc. DD&CE-B.Ed., faculty have been engaged in research in the areas of Educational Psychology, Educational Technology, Teacher Education, School Education, Sociological Aspects of Education and Special Education. Around 32 full-time and Part-time research scholars are doing Ph.D and they are supported by Senior Research Fellowship, Rajiv Gandhi National Fellowship and ICSSR Fellowship under the supervision of the faculty members.

An Urgent Need for this Symposium

“Whilst there are no silver bullets in education, there are new ways of working and thinking that are worth their weight in gold”

This symposium aims to highlight the importance of being an effective teacher in a 21st century class room. We need teachers to go to their classroom with the mindset that every day in a delightful day for them to teaching with new techniques methods, approaches for making the process of teaching- learning so easy, effective, and informative. As Educators in 2017, we have to strive for further improvement and higher levels of achievement for making our students. Joining this learning and teaching symposium will explore new ways of thinking and improved ways of working in order for you to reach and teach more students to higher levels of learning. So it's great need for teachers to focus on re-thinking, reconceptualising and redesigning teaching and learning in today classroom

Objectives

This Symposium will focus on the objectives to be fulfilled. This will enable the participants:

- ❖ To identify common, critical issues that have been encountered in applying Teaching techniques to school students at Primary/ Upper Primary level and creative approaches to solve them;
- ❖ To develop different strategies, methods and approaches for prioritizing and conducting the process of teaching and learning and
- ❖ To identify new teaching method, and foster successful teachers.
