It has been already brought to all concerned that those scholars who have already registered for Ph.D. Programme upto 31.12.2010 were asked to submit the thesis on or before 28.02.2018 (along with the required fee) without fail.

Now it is reiterated that this will be the final chance to those scholars. The Supervisors are requested to give necessary directions to their Ph.D students for submission of thesis within the above stipulated period with the required fee failing which, their registration will be cancelled without any further notice.
