

Virtual Entrepreneurship Development Academy

VEDA

Virtual Entrepreneurship Development Academy (VEDA) is a unit of registered trust named Veda Welfare and charitable Trust®.

The VEDA came in to existence with an objective of providing quality education accessible to all students at an affordable cost.

VEDA is born out of a strong sense of citizenry towards the cause of providing the industry with trained and informed manpower, and to every aspiring mind, an opportunity to realize its potential in finding the best career or become an entrepreneur

VEDA is an organization, established by a team of technocrats, senior administrative personnel and academicians devoted to bring excellence in education

VEDA is a movement, which believes that management education should shift from the curriculum to the individual for the learner to mould one's self into management professional.

Vision: Reaching the unreached.

Taking the quality education to everyone's doorstep.

Mission: Providing a platform to the students from all background to Study in India to get quality education, an internationally recognized degree and increasing the chances of gaining job as per the caliber of each individual.
