With references cited above, I am by direction to inform you that in its letter cited under Ref.(1), the following few observations are quoted from the **order of the High Court of Madras** in connection with the G.O. (19) 125, dt.26.8.2020.

*“To the extent that a large number of students have undertaken the Online examinations and have passed the same, appropriate certificates may be issued to them as expeditiously as possible. However, for students who sought to take advantage of the Government notification of August 26, 2020 and who presumed that they would clear any stage without an examination, remedial measures have been put in place by the Government such that all candidates have to clear an on-line examination and be assessed in course thereof.*

*To repeat, no candidate would have cleared any semester examination or any arrear examination in terms of the impugned notification of August 26, 2020 without taking an on-line examination and assessment. It is only after completing such online process and assessment and clearing the same, will any candidate be considered to have passed the relevant stage”.*

In this connection, in view of implementing the said **Court Order**, kindly instruct the following students those who have paid fee for **April 2020 arrear examinations** and
