Manonmaniam Sundaranar University

The University was established by the Government of Tamil Nadu as a teaching-cum-affiliating University on 7th September, 1990 to cater to the long-felt needs of the people of the three southern most districts of Tamil Nadu viz., Tirunelveli, Tuticorin, and Kanyakumari. It is named after the renowned Tamil Poet scholar, Professor P. Sundaram Pillai (1855-1897), the author of the famous verse drama Manonmaniam. It is his poem that has become "Tamil Thaaivaazhthu" the official invocation song sung in all functions in Tamilnadu. The motto of the University is "Reaching the Unreached". More than 4750 students are studying in various departments of this institution directly. The main focus of the university is to produce individuals who have the expertise and intellectual curiosity to make a difference in their profession and the society and in conducting the research needed to meet the challenges facing the contemporary world.

Manonmaniam Sundaranar University Library

Manonmaniam Sundaranar University Library was upgraded to more digitalized version to be in synchronization with current trends of e-content. There are more than 4100 research theses available for research reference and more than 1.5 lakhs of e-books are available which helps the researchers, scholars and students. Now as the technology has improved, there is a provision in the library to read the journals in various disciplines published by colleges/ universities across theThe University Library has secured 11th place among all Indian Universities in uploading 5142 awarded Ph.D theses from our end under the "Shodhganga" project hosted by INFLIBNET. This University has 1324 publications indexed in the Web of Science database and 5148 faculty publications indexed in the Scopus database. The students can access the institutional repository from their place of stay with the help of remote access method using their assigned password. The entire library is connected with Wi-Fi facility. There are three specially designed computer systems with special facilities that help the visually impaired students to avail the content without any difficulty.

Department of Library and Information Science

The Dept. of Library and Information Science, Manonmaniam Sundaranar University, Tamil Nadu was established in the Academic year 2018-2019 to provide professional education and training in various disciplines of Library and Information Science titled as Certificate of Library and Information Science (C.Lib.I.Sc) of 6 months duration, Bachelor of Library and Information Science (B.Lib.I.Sc) of 1 year duration, Master of Library and Information Science (M.Lib.I.Sc) of 1 year duration, Master of Philosophy (M.Phil) of 1 year duration and Ph.D programmes for full time scholars The vision and mission of the Department shall be learner centric participative teaching and learning, cutting' edge innovative research, integrate theoretical knowledge with practical skills and training, high impact quality education in commitment to International standards with employable skills and expertise, inculcate excellence through high quality research and publication, keep abstract with the new technologies in teaching and research.

About ICSSR

Indian Council for Social Science Research (ICSSR) was established in the year 1969 by the Government of India to promote research in social sciences in the country advise the Government of India on all matters pertaining to social science research and take measures generally as may be necessary from time to time, to promote social science research and its utilization.

About the Conference

The following sub-themes will run through the conference, but are not limited to

Theme 1 Academic Libraries : At the cusp of transformation, academic libraries are driven by transformative changes especially driven by technology and change in learning, pedagogy and information seeking behaviour. Invited lectures and panel discussions and papers are invited on the following sub themes

- a) Learning spaces
- b) Research data management services
- c) Instruction/literacy and outreach
- d) Bibliometrics /Impact /Research output

Theme 2 Public Libraries : Public libraries have always known for archiving and dissemination of Information and stood for literacy, knowledge and freedom. Their role in the current scenario is more critical than at any time in the history of public library movement in India and elsewhere. Access to information, knowledge and expertise in the digital domain to socially and economically challenged population with wide geographical reach can be attained only by public library systems anywhere in the world. The topics expected in this theme are:

- a) History, role and current scenario
- b) Outreach, support for citizenship, lifelong learning and Skills
- c) Access to information, knowledge, educational resources, citizenship, personal research etc.
- d) Preservation and cultural heritage

Theme 3 Future in the Digital Domain : Digitization and Digital Content constitute substantial amount of content acquisitions across Libraries. It may have perceptually inflated the access but still distraught with challenges of intellectual property, perpetuity, preservation, privacy copyright and host of other issues. The topics in this theme include:

- a) IPR, Copyright and DRM
- b) Digital Preservation
- c) Privacy and use
